Project submission form – Winc Academy

Name	Patrick Vink
Date	e.g. 23-02-2026
Project	e.g. React Fundamentals
Course	e.g. Full-stack development
GitHub link to your project	e.g. https://github.com/username/repository.git

I would like to receive my feedback in ○ Dutch ○ English

Do you feel competent in the skills required to complete this project?

- ◉ Yes
- ○ Partially
- ○ No

If partially or no, please briefly explain:

Did you complete all modules leading up to this project before starting it?

- ◉ Yes, I completed all the modules
- ○ No, I skipped or only partially completed some of the modules

Did you complete this project entirely on your own, without help from other people (except guidance from Winc Academy mentors or teachers)?

- ◉ Yes
- ○ No → Please specify who assisted you and in what way:

Did you use any AI tools at any point during this project?

- ☒ None
- ☐ ChatGPT
- ☐ GitHub Copilot
- ☐ Gemini
- ☐ Claude
- ☐ Other (please specify):

If you selected any AI tools above, please describe:
Whether you used AI to generate or modify code included in your submission (specify the affected lines or sections, either here or in your GitHub files using comments), and/or
Whether you used AI for support (e.g., debugging, explanations, planning) without directly including its output in your code, and how it supported your work.

Do you personally understand all the code in your submission?

◉ Yes

○ No → Please specify which parts you do not fully understand and why:

Can you reproduce the submitted code without AI assistance if asked?

◉ Yes

○ No → Please explain which parts you could not reproduce independently:

☒ I confirm that the information provided in this submission is complete and accurate to the best of my knowledge.
